

WinterLight! How to follow the Mystery Trail

Please help the young wizard

All the words and pictures have escaped from a Library book!

Read the story in full and get the map
on the website in What's On?

Go to the Green

- * Take a torch if it's dusk or dark, so that you can see the WinterLight! special effects.

Follow the WinterLight! Mystery Trail

- * Follow the Track from Town to the first cattle grid ...
go left over the New Reach bridge ...
go under the two railway bridges ...
and into the Folly

Look out as you walk

- * **for the creatures** that escaped from the book and take photos of your favourites
- * **and for the letters** that will tell you **the name** of the book.

**Send your photos AND
the name that you find TO
thegreen@halesworth.net**

Then the magic can be turned around and all the pictures put back into the book.

Thank you for your help!
