

Looking for a way to give your support to a thriving much-loved local charity?

How about being a Trustee with Halesworth Millennium Green?

Halesworth Millennium Green is a trust (now a Charitable Incorporated Organisation CIO) established in 1999. The Green has grown from 30 to 50+ acres of open space for people and wildlife. Lying immediately east of the town there are grazing and water meadows, a community orchard, old and new woodland, heritage railway, a surfaced track part of National Cycle Route 1, and running through the land a navigation waterway and the River Blyth. Find background information in the Management Plan on our website at 'Our Activities / Practical Management'.

The charity is run by Trustees who are volunteers, as all the Green's workers have been since 1999. Trustees stay on the Board for 4 years but can renew or leave the Board – **how about a 4-year stint to start?**

The Trust's Purpose is to contribute to the life of the community by being accessible to locals and visitors alike, and to make a positive contribution to the local environment. This means the Trustees' task is to ensure that the charity balances the needs of people with those of wildlife, both by delivering hands-on management and by long-term planning.

Not many meetings a year, 3 or 4, **but** you need to be available at least by email to help in between times with issues that arise.

Find out more about being a Trustee on our website: millenniumgreen.halesworth.net under the tab 'About Us / The Trustees'.

Contact a current Trustee for **an informal conversation** about what being a Trustee involves. Send a request for a conversation to the Green's email box thegreen@halesworth.net
